Overall Length:

19.0 centimeters

Design Designation:

Freer, nasal

Material And Location:

Steel, corrosion resisting

Cutting Edge Width:

5.0 millimeters

Product Name:

Chisel bone freer nasal 5mm cutting edge w crs 19cm lg str end

Special Features:

For nasal procedures; straight end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
