Surgical Drainage Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-304-2960

Design Designation:
Thoracic
Shaft Eye Quantity:
6
Tip Type:
Open end
Core Fabrication Method:
Not woven
Diameter:
40.000 french
Material And Location:
Plastic
Features Provided:
Sterile and disposable and x-ray opacity
Special Features:
19.5 inches long
Style Designator:
Thoracic
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A22100
