Handle Type:

Lock

Specific Use:

Controlled depth insertion without tissue distortion or blade flex

Material And Location:

Steel, corrosion resisting

Surface Treatment And Location:

Passivated

Product Name:

Guard dura fixed stem crs passivated lock handle

Exterior Container Weight:

0.062 pounds

Exterior Container Cubic Measure:

0.001 cubic feet

Exterior Container Quantity:

1

Special Features:

USED-IN-TUR-NING

Unit Of Issue Cube:

0.001 cubic feet

Unit Of Issue Weight:

0.062 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-d
