Width:

4.000 inches

Overall Length:

22.000 inches

Size Designation:

Large

Design Designation:

Cervical

Material And Location:

Cotton and nylon

Usage Location:

Cervical

Product Name:

Support cervical medium 22x4" medium density foam washable white

Special Features:

Medium density foam; breathable synthetic stockinette; white; washable; velcro closure

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-j
