Overall Length:

13.000 inches

Outside Diameter:

4.5 millimeters

Unit Package Quantity:

12

Inflation Device:

Pilot balloon and valve

Tip Type:

Curved

Connector Type:

Luer lock hub or luer slip hub

Material And Location:

Plastic

Features Provided:

Sterile and disposable

Special Features:

Double lumen; inflatable cuff; safety stop for depth settings; for gyn procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
