Design Designation:

Arthroscopic

Material And Location:

Plastic

Cannula Length:

76.0 millimeters

Product Name:

Cannula arthroscopic 76mm lg universal dbl sealed plas ster 10s

Special Features:

Sterile; disposable; universal; inner dia.; 5mm; long; double sealed; used in arthroscopic surgery

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-e
