Blade Width:

10.0 millimeters

Unit Package Quantity:

5

Blade Thickness:

0.4 millimeters

Blade Type:

Oscillating

Design Form:

Straight

Product Name:

Blade bone saw power a23 osc str dsgn 1.85cm maximum cutting depth5s

Special Features:

Sterile; disposable; 1.85cm max. Cutting depth; 14 teeth per cm; can be used w/both micro 100, micro and micro e oscillating saws; for oral, orthopedic, hand and podiatric, plastic and reconstructive surgical procedures

Material And Location:

Stainless steel

Unit Package Type:

Package

Style Designator:

Oscillating

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512d0
