Overall Length:

4.625 inches

Design Designation:

Fogarty

Material And Location:

Steel, corrosion resisting

Unit Type:

Clamp

Jaw Type:

Angular

Jaw Quantity:

2

Product Name:

Clamp vascular peripheral fogar type 4.625" lg ang jaw hydragrip crs

Special Features:

Hydragrip clamps; jaw inserts 33mm; angled jaw; vascular surgical instrument; used for ent and orthopedic surgical procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-d
