Compartment Quantity:

2

Material And Location:

Plastic

Compartment Shape:

Conical

Product Name:

Mold suppository 2 compt conical shape heat sealed plastic 100s

Special Features:

Disposable; whiite; heat sealed; designed to be dispense w/suppository; unit q type 100

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-m
