Shaft Length:

6.0 millimeters

Handle Type:

Ring

Tip Type:

Sharp

Features Provided:

Sterile

Grasping Device Type:

Flexible band

Shaft Diameter:

4.500 french

Product Name:

Stent remover cystoscopic mardaluso 6 mm shaft lg sharp tip 5s

Special Features:

Mardaluso design; disposable; to remove material soft, medium and/or firm; unit q type 5

Material:

Stainless steel

Surface Treatment:

Plastic polytetrafluoroethylene

Surface Treatment:

Plastic, polytetrafluoroethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-l
