Product Name:

Irrigating set bld-fluid warmer high flow normothermic disp 10s

Exterior Container Weight:

11.00 pounds

Exterior Container Cubic Measure:

1.18 cubic feet

Exterior Container Quantity:

1

Special Features:

High flow; normothermic; disposable; sterile; fluid path for irrigation; for use with blood-fluid warmer and pressure infusion system, 6515-01-334-0852; unit pkg qty: 10

Unit Of Issue Cube:

1.18 cubic feet

Unit Of Issue Weight:

11.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T107-a
