Product Name:

Infusion set high flow bld-fluid warmer ster fluid path disp 10s

Exterior Container Weight:

10.00 pounds

Exterior Container Cubic Measure:

1.18 cubic feet

Exterior Container Quantity:

1

Special Features:

Disposable; sterile; fluid path for blood and intravenous solutions; 3 spikes and injection port; for use w/blood-fluid warmer and pressure in fusion system, 6515-01-334-0852; unit pkg qty: 10

Unit Of Issue Cube:

1.18 cubic feet

Unit Of Issue Weight:

10.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T107-a
