Width:

9.000 inches

Overall Length:

18.000 inches

Size Designation:

Large

Design Designation:

Orthopedic

Material And Location:

Nylon pile-foam laminated

Usage Location:

Left wrist

Features Provided:

Nonsterile and adjustable and disposable

Product Name:

Support wrist ortho large 18x9x0.375" f/left hand nylon nonster

Special Features:

Open cell breathable foam structure for the prevention of moisture accumulation; velcro stay made of malleable aluminum which can be custom molded; 0.375 ins. Thk

Color:

Blue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-j
