Garment Size:

Small

Usage Design:

Patient examination

User Designator:

Medical personnel

Hand For Which Designed:

Ambidextrous

Cuff Type:

Beaded

Features Provided:

Nonsterile and disposable

Product Name:

Glove patient exam/treat small surg lg w/calcium carbonate 100s

Special Features:

Contains calcium carbonate; surgical length; unit q type 100

Color:

Clear

Length:

275.0 millimeters

Material:

Rubber latex

Thickness:

0.17 millimeters

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A41000
