Overall Length:

48.000 inches

Outside Diameter:

6.0 millimeters

Unit Package Quantity:

50

Design Designation:

Salem

Shaft Eye Quantity:

11

Tip Type:

Round

Core Fabrication Method:

Not woven

Diameter:

18.000 french

Material And Location:

Plastic, polyvinyl chloride

Features Provided:

Sterile

Product Name:

Tube suct surg salem d7 sump drain 18 fr w/anti reflux valve 50s

Special Features:

Clear; flexible; individual package; w/anti reflux valve

Style Designator:

Sump drain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
