Unit Package Quantity:

10

Design Designation:

Intubation

Core Fabrication Method:

Not woven

Patient Size Designation:

Adult

Material And Location:

Plastic, polyvinyl chloride

Product Name:

Tube tracheal intubation e11 w/o cuff 2mm diameter adl magill eye 10s

Special Features:

Connector 15 mm; magill eye

Style Designator:

Tracheal w/0 cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
