Design Designation:

Blood collecting

Tip Type:

Luer slip

Plunger Material:

Plastic

Barrel Material:

Plastic

Scale Smallest Increment:

0.200 cubic centimeters

Capacity:

3.000 cubic centimeters

Barrel Tip Design:

Concentric

Special Features:

Disposable; individual package; prefilled with dry lithium heparin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-b
