Overall Length:

9.000 inches

Overall Diameter:

0.045 inches

Design Designation:

Kirschner

Material And Location:

Steel, corrosion resisting

Distal End Shape:

Pointed

Product Name:

Wire bone kirschner design 9" lg point style 7 0.045" diameter 6s

Special Features:

Point style 7; for bone fractures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
