Width:

4.250 inches

Overall Length:

36.000 inches

Design Designation:

Orthopedic

Material And Location:

Aluminum and rubber foam

Product Name:

Splinting material ortho design 36x4" roll form alum/rubber foam

Special Features:

Roll form; lightweight; may be cut to desired size; foldable; moldable; 4.5in. Wide by 36in. Length

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-c
