Overall Length:

4.000 inches

Usage Design:

Designed to delicately remove specimens for diagnostic examination

Design Designation:

Eye

Tip Type:

Serrated

Jaw Type:

Straight

Product Name:

Forceps dressing eye dsgn 4" lg 0.8mm wide tip standard pattern crs

Special Features:

0.8mm wide tip, standard pattern

Material And Location:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
