Blade Width:

10.0 millimeters

Blade Thickness:

0.4 millimeters

Design Designation:

Hall

Features Provided:

Sterile and disposable

Product Name:

Blade bone saw power hall dsgn str micro 100 osc 14 teeth/cm 5s

Blade Shape:

Straight

Special Features:

Micro 100 oscillating saw blade; maximum cutting depth 1.2 cm; teeth per cm 14; used w/both micro 100, micro and micro-e oscillating saws; designed to preform small bone surgery procedures

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A512d0
