Casehardening Indicator:

Not casehardened

Thread Length:

10.0 millimeters

Length:

48.0 millimeters

Material Hardness Rating:

30.0 rockwell c

Material And Location:

Cobalt-chromium alloy

Surface Treatment And Location:

Any acceptable basic

Outside Thread Diameter:

8.5 millimeters

Thread Quantity:

21 per inch

Recessed Drive Style:

Socket

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-m
