Cryotherapeutic Ankle Cuff - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-369-7301

Design Designation:
Orthopedic
Disposition After Initial Use:
Reusable
Material And Location:
Nylon
Operation Method:
Compressed air line
Special Features:
Urethane coated nylon; component part of aircast cryo/cuff compression system which c/o cuff, cooler and tube; covers knee w/pressurized
ice water; minimizes hemarthrosis/swelling/pain
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
T133-k
