Overall Length:

18.000 inches

Overall Diameter:

5.0 millimeters

Unit Package Quantity:

12

Unit Package Type:

Package

Design Designation:

Dissecting

Material And Location:

Metal

Features Provided:

Disposable and sterile

Special Features:

Provides excellent visibility; unipolar cautery for optional electrosurgery

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-d
