Unit Package Quantity:

10

Design Designation:

Murphy

Tip Type:

Curved

Core Fabrication Method:

Not woven

Diameter:

5.0 millimeters

Material And Location:

Plastic, polyvinyl chloride

Special Features:

Sterile; disposable; tip to tip radiopaque line assists in x-ray visualization, uncuff

Style Designator:

Tracheal w/0 cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
