Design Designation:

Urinary drainage

Shaft Eye Quantity:

2

Tip Type:

Whistle

Core Fabrication Method:

Woven

Material And Location:

Dacron, woven

Features Provided:

Sterile and x-ray opacity

Product Name:

Catheter ureteral urinary drainage 3fr straight whistle tip grad

Special Features:

3 french size; graduated

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
