Unit Package Quantity:

50

Design Designation:

Urinary drainage

Tip Type:

Short and round

Diameter:

14.000 french

Material And Location:

Plastic

Features Provided:

Sterile

Special Features:

14 fr; disposable; individually wrapped; intermittent

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
