Overall Length:

14.000 inches

Overall Diameter:

0.062 inches

Tip Type:

Flexible

Disposition After Initial Use:

Disposable

Material And Location:

Metal

Features Provided:

Flexible and sterile

Product Name:

Guide wire bone screw 14"lg 0.062"dia blunt tip nitinol metal 5s

Special Features:

Nitinol metal; fits 7 by 9 mm interference screws

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-g
