Component And Quantity:

17

Product Name:

Retractor & handrest kit greenberg neurosurgical microsurgical

Exterior Container Weight:

3.20 pounds

Exterior Container Cubic Measure:

0.22 cubic feet

Special Features:

Cres material; self-retaining; greenberg style; neurosurgical/microsurgical; designed nto provide surgeon increased control/exposure during surgical procedures

Unit Of Issue Cube:

0.20 cubic feet

Unit Of Issue Weight:

3.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T107-a
