Unit Package Quantity:

10

Design Designation:

Murphy

Tip Type:

Curved

Core Fabrication Method:

Not woven

Diameter:

4.0 millimeters

Material And Location:

Plastic, polyvinyl chloride

Features Provided:

Disposable

Product Name:

Tube tracheal e11 w/o cuff 5mm diameter crvd plas polyvinyl chl sterile 10s

Special Features:

Uncuffed; assists in x-ray visualization, sterile

Style Designator:

Tracheal w/0 cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
