Design Designation:

Electrosurgery

Material And Location:

Steel, corrosion resisting

Unit Type:

Cutting

Features Provided:

Disposable

Shanklength:

130.0 millimeters

Product Name:

Electrode electrosurg apparatus 130mm shank length 15x8mm loop5s

Special Features:

15 mm x 8 mm loop electrode; disposable; for use with wallach leap electrosurgical system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-e
