Unit Package Type:

Package

Product Name:

Cushion heel orthopedic reuse sz i treat of plantar tendopathy

Special Features:

For treatment of plantar tendopathy; made from viscoelastic material which is compatible with human tissue; an area of softer material is incorporated in the region where plantar fasciitis occurs; this reduces the strain on that area; raised medially, viscoheel softspot also achieves the therapeutically desired repositioning of the heel; painful irritation tends to be rapidly alleviated or eliminated; (size i fits sizes 1 - 6 1/2): fits male sizes 5 - 6 1/2; fits female sizes 3 - 8; unit qty is 1 pair per package; which consists of right and left heel cushions
