Overall Length:

13.500 inches

Overall Diameter:

0.75 millimeters

Material And Location:

Plastic

Product Name:

Target device ortho plas o/a 13.5" l.75mm o/a diameter universal free

Special Features:

Universal freehand; a distal item used reconstruction orthopedic surgical procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-d
