**Product Name:**

Regulator and connector surg suction apparatus e.l.6515013046497

**Special Features:**

Portable; battery operated; end item application suction appartus, oropharyngeal; nsn 6515-01304-6497; model 308m

**Material:**

Metal corrosion resisting/d

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T117-b
