Product Name:

Regulator and connector surg suction apparatus e.l.6515013046497

Special Features:

Portable; battery operated; end item application suction appartus, oropharyngeal; nsn 6515-01304-6497; model 308m

Material:

Metal corrosion resisting/d

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T117-b
