Diameter:

0.035 inches

Length:

9.000 inches

Design Designation:

Kirschner

Tip Type:

Diamond

Material And Location:

Steel, corrosion resisting

Surface Treatment And Location:

Passivated

Features Provided:

Nonsterile

Product Name:

Wire bone kirschner crs 6"lg nonsterile diamond points 6s

Special Features:

Used in fixation of bone freacture; compatible with nsn 6515-01-165-6694; and meet astm standards

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
