**Diameter:**

0.045 inches

**Length:**

9.000 inches

**Design Designation:**

Kirschner

**Tip Type:**

Diamond

**Material And Location:**

Steel, corrosion resisting

**Surface Treatment And Location:**

Passivated

**Features Provided:**

Nonsterile

**Product Name:**

Wire bone 9" kirschner crs nonster diamond tip bone fracture 6s

**Special Features:**

Used in fractures; compatible with nsn 6515-01-165-6694; and meet astm standards

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T133-c
