Overall Length:

4.750 inches

Usage Design:

Coagulation of the blood vessel during surgery

Design Designation:

Adson

Product Name:

Forceps coagulation adson crs straight 4.750in lg bld vessel

Special Features:

BIPO-LA-R,1-MM.W

Material And Location:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
