Tip Diameter:

15.0 millimeters

Overall Length:

260.0 centimeters

Overall Diameter:

0.038 inches

Tip Type:

Curved

Disposition After Initial Use:

Disposable

Material And Location:

Steel, corrosion resisting

Special Features:

Telfon coated, heparinized, 15 mm radius curved tip; for to exchange one catheter for another; fixed core

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-g
