**Blade Width:**

6.0 millimeters

**End Application:**

6515-01-535-7894, screw set maxillofacial

**Blade Type:**

Curved

**Design Designation:**

Synthes

**Size Designator:**

Extra long

**Shank Type:**

Wide

**Product Name:**

Elevator periosteal wood handle curved blade round edge 6mm wide ss

**Blade Shape:**

Round

**Special Features:**

Periosteal elevator, curved, round-edge; ss with wood handle

**Material And Location:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A523b0
