Blade Width:

6.0 millimeters

End Application:

6515-01-535-7894, screw set maxillofacial

Blade Type:

Curved

Design Designation:

Synthes

Size Designator:

Extra long

Shank Type:

Wide

Product Name:

Elevator periosteal wood handle curved blade round edge 6mm wide ss

Blade Shape:

Round

Special Features:

Periosteal elevator, curved, round-edge; ss with wood handle

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523b0
