Furnished Items:

Ecg cable, 1 ea; defibrillator paddles, 2 ea (1 pediatric and 1 adult); monitoring electrodes, 24 sets; pacing electrodes, 10 sets; nicad battery, 4 ea; recorder paper, 6 rolls; applicable power cables, and operator/service manual, 2 ea; conductive pads, 3 sets

Product Name:

Defibrillator monitor recorder: 120/230v 50/60hz ac or dc

Special Features:

With pacing; portable; both line and battery powered; auxiliary power supply 110 vac, 50 hz; battery charger supply 110/220 vac, 50/60 hz; dual voltage rated; c/o: non-invasive pacemaker, defibrillator, ecg monitor, recorder, and external battery charger; unit is impact resistant and operable in wet environments; the recorder shall annotate at a : time, date, heart rate, pacemaker parameters, defibrillator parameters, gain and lead; shall have six adjustable discrete energy steps including, but not limited to, 10, 50, 100, 200, 300 and 360 joules; external pacemaker shall have non-invasive cardiac pacing rates from 40 through 150 beats/minute; uses disposable, pre-gelled electrodes; demand pacemaker capable of asynchronous operation; delivered output current is continuously adjustable over the range of 0-140 milliamps

Supplementary Features:

Note: reusable padded storage case was waived for the purchase. Aeromedically certified for fixed wing, wide body aircraft only.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
