Unit Package Quantity:

30

Design Designation:

Urinary drainage

Tip Type:

Tapered

Patient Size Designation:

Large

Diameter:

35.000 millimeters

Material And Location:

Silicone

Features Provided:

Clear

Special Features:

Clear advantage; silicone; self-adhering; one-piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
