Thread Length:

50.0 millimeters

Material And Location:

Steel, corrosion resisting

Outside Thread Diameter:

5.0 millimeters

Point Type:

Trocar pointed

Product Name:

Screw bone 5mm outside thread 50mm thread lg

Special Features:

Schantz design; blunted trocar point; 150 inches long; use 3.5 mm drill bit; extra long; for large external fixator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-m
