Thread Length:
50.0 millimeters
Material And Location:
Steel, corrosion resisting
Outside Thread Diameter:
5.0 millimeters
Point Type:
Trocar pointed
Product Name:
Screw bone 5mm outside thread 50mm thread Ig
Special Features:
Schantz design; blunted trocar point; 150 inches long; use 3.5 mm drill bit; extra long; for large external fixator
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T133-m
