Design Designation:

Intubation and nasal

Tip Type:

Non-weighted

Core Fabrication Method:

Not woven

Diameter:

10.000 french

Material And Location:

Plastic tube

Features Provided:

Disposable and sterile

Special Features:

55 inches long; anti-clog, non-weighted, adult tube with stylet; manufacturers name: corflo-ultra lite small bowel feeding nasal gastric tube

Style Designator:

Nasal feeding w/ luer taper end and plug

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
