Thread Length:
16.0 millimeters
Material And Location:
Steel, corrosion resisting
Outside Thread Diameter:
7.3 millimeters
Thread Pitch In Millimeters:
2.75
Product Name:
Screw bone 7.3mm o/s thread diameter 110mm lg self-tap self-drill
Special Features:
7.3mm cannulated; 110mm long; w/large hexagonal socket (4.0mm width across flats) self-drilling, self-tapping
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T133-m
