Overall Length:

16.000 inches

Overall Width:

4.000 inches

Specific Use:

Securing specimens and tissue

Design Designation:

Skin surface

Material And Location:

Plastic, polyvinyl chloride

Design Form:

Straight

Features Provided:

Sterile

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-d
