Universal Medical Device Nomenclature System Code:

10144

Product Name:

Vaporizer anesthesia sevoflurane vapor 2000

Special Features:

Sevoflurane vapor 2000 includes vaporizer storage moun (cn 99-0949) & resuable container; additional capability for narkomed m anesthesia apparatus

Material:

Copper alloy and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-c
