**Product Name:**

Monitoring kit blood pressure

**Special Features:**

Includes: "t" adapter; tubing for connection to any monitor; verifies all oscillometric adult or neonatal non-invasive bp monitors; provides synamic bp simulations; satic calibration; automated leak testing; high and low pressure release verification; simulates motion actifacts including smooth and gravel road

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
